Also, it would be good for me to know the nature of the conflicts between LA County and DTSC

Hey Dan, please see the note below from Keith suggesting we check in re Exide.

Of the dates Keith suggests, the 23rd is the best for me. He said he has a 9 am meeting in the city that morning. I looked at your calendar on the 23rd and saw a tentative item in the early afternoon.

What do you think?

LA County and DTSC have been quite at odds on a number of issues.

Deldi, how are you doing? I haven't talked to you since you joined the Enforcement Division.

I may be working with LA County on Exide. I was wondering if I could get your perspective? We could have coffee, lunch, or I could drop into the office. Whatever works easier for you. Nov. 23, 24, 25, or Dec. 1 work for me. Let me know what works for you.

Thanks!

Keith

PS Dan Meer working on Exide too?
